Air Conditioning & Refrigeration Apprenticeship

Description

As an Air Conditioning/Refrigeration Mechanic Apprentice, you will work for a Refrigeration contractor. Training for the services involves maintenance and repair of refrigeration and/or air conditioning units for commercial and industrial uses.

Application Process

Applications are accepted on an ongoing basis.

Notes

- Must be at least eighteen (18) years of age.
- Must possess high school diploma or GED.
- Must be physically able to perform the work of the trade.
- Applicant must take and pass aptitude examination and an oral interview.
- Must be able to read, write and speak the English language in order to comprehend instructions on the job and in related training classes and to ensure personal and co-worker safety on the job.
- Must be prepared to attend related training classes (school during school term) two nights per week.
- Must present a valid California Driver's License (for identification).
- Should be able to present verification to potential employers of legal right to work in the United States.
Program Length

The apprenticeship program is a five (5) year program. Apprentices must work a total of 8000 hours in five (5) years to reach journeyman status. Apprentices are required to attend related instruction classes for 216 hours each year. Apprentice wages start at a percentage of the journeyman’s hourly rate of pay with periodic increases until he or she reaches the full journeyman rate.
