Apprenticeship

Description
This specialty carpenter installs and repairs all types of wood flooring. This work could be residential (custom and tract homes) and commercial (high schools, universities, malls, office, sports arenas, etc.). Much of this work requires knelling and bending. The equipment necessary to finish wood flooring is heavy and physically demanding.

Application Process
Applications are accepted on an ongoing basis.

Notes
* Applicants must be at least eighteen (18) years of age. Seventeen (17) years with guardian’s written permission. There is no maximum age.

Program Length
The minimum term of apprenticeship is 3600 work hours and the completion of 180 hours of related instructional classes taken at the carpenter training center over a 36 month period. Medical, dental, vision care, vacation, annuity and pension.
